NO 7 JANUARY 1983

A happy new year to you, and also to the "BANTER" now in enlarged form and with a larger distribution, being made available in 20 or so pubs and off-licences. If this is the first time you have read a Banter then we hope you will find its contents informative and useful. All its articles are written by CAMRA Members, and you are invited to contribute any relevant articles or comments to the editors.

The Branch in 1983, its first full year in existence, is hoping not only to convert keg-only houses to real ale but to expand the choice of beers in our area. You are cordially invited to come along to any of our meetings and socials, you will be made most welcome.
